Victor Koretzky: "I haven't quite realized what I've

"After my second place Friday at the XCC, I knew the form was there. Nevertheless, I did not necessarily have great sensations when warming up. I can't quite believe what's happened today (note: No French male rider has won a World Cup event since 2016). Not only that but I have won ahead of Nino who is a legend of our sport; it's crazy. I stayed focused all day long and managed to take the lead at the end of the race. I had opted for my Orbea Alma, hardtail, and it was the best option possible. I will start at the Nove Mesto World Cup with the World Cup Leader's Jersey, it's amazing. I also today have qualified for the Olympic Games; I'm hugely proud!"

By winning the Albstadt round, **Victor Koretzky** secured the first victory at the men's elite World Cup round for the KMC Orbea team.
